

## You've just lost or found a pet. Here's what to do next.

- > Notify your local police department.
- > Check on-line sites for postings: [www.petharbor.com](http://www.petharbor.com) and CraigsList's pet section and their lost and found section. Also: check [www.lostmydoggie.com](http://www.lostmydoggie.com) or [www.lostmykitty.com](http://www.lostmykitty.com).
- > Check Animal Friends' online lost and found section for tips and helpful documents. You can also post a lost report on [LostMyPet.org](http://LostMyPet.org), a lost and found site sponsored by Animal Friends.
- > Notify the other two local shelters, the Western Pennsylvania Humane Society at 412.321.4625 and the Animal Rescue League at 412.661.6452.
- > Be sure to let your neighbors and local vet offices know you are missing your pet. It is also helpful to post fliers with a photo throughout your area.
- > The first 24 - 48 hours are the most critical! Contact the animal control facility that services your neighborhood. See the following list to find your facility.
- > If your lost or found pet was originally from Animal Friends, please call 412.847.7000 and ask the operator to page the adoption team.
