

**Altering our
community
one pet at a time!**

**Altering our
community
one pet at a time!**

By having your pet spayed or neutered, you...

- reduce your pet's risk of cancer and infection
- make your pet less likely to run away
- ensure a calmer, happier companion
- help end pet overpopulation and the unnecessary euthanasia of pets

By having your pet spayed or neutered, you...

- reduce your pet's risk of cancer and infection
- make your pet less likely to run away
- ensure a calmer, happier companion
- help end pet overpopulation and the unnecessary euthanasia of pets

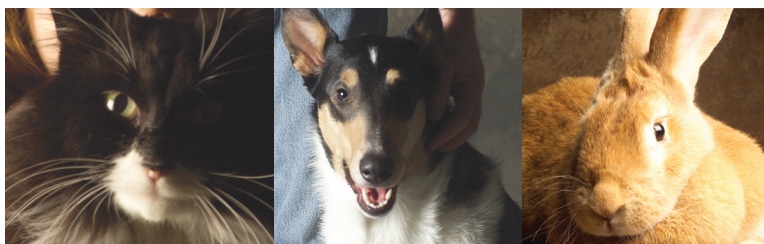

**Make plans to
spay or neuter
your pet as soon
as you adopt.**
