

Sense-ible

by Softouch Concepts, Inc.

The Original Front-Connection Harnesses

Recommended by humane societies, trainers and veterinarians

- Prevents choking, stress, and injuries
- Helps solve pulling, lunging, jumping, and other on-leash problems
- Good for shy, nervous, and fearful dogs
- Helps train your dog (sit, stay, stop, slow, heel, and more)
- Greatly increases communications between you and your dog

.....
Keeps your dog happy!
.....

You & your dog will both love it!
.....

Please call our training staff at 412.847.7071 to make an appointment to have your dog fitted for one soon!

Sense-ible Harnesses must be professionally sized and fitted by a member of our trained staff.
